

Tŷ LLANDAFF
CARE HOME

EXCEPTIONAL STANDARDS OF CARE
AND ALL INCLUSIVE LUXURY LIVING

ABOUT Tŷ LLANDAFF...

Setting new standards in residential and nursing care

Tŷ Llandaff is a new, private residential and nursing home set in a leafy suburb of Cardiff. As well as exceptional levels of care delivered by our dedicated team, we provide all inclusive, luxury living in first-rate accommodation and beautiful surroundings.

Our registered nurses and care practitioners use the philosophy of Person Centred Care to support residents. This puts the resident at the heart of all care decisions, with the service being built around an individual's needs. The philosophy is supported by our partnerships with other health care professionals.

Facilities that foster independence and engagement

Our facilities are second-to-none. We have invested in the latest care and access equipment; each bedroom has its own ensuite wet room and is decorated to the highest standards. Our residents enjoy an on-site cinema, gym, coffee bar and spa and therapy room; and there are plenty of private spaces too, including a library and accessible garden.

Tŷ Llandaff is focused on providing quality care and a luxury lifestyle that's right for every individual.

LUXURY LIVING, ALL INCLUSIVE CARE

Live life, your way

Quality of life and independence are our highest priorities.

Our Activities Co-ordinator ensures there is always a varied and stimulating programme of activities, entertainment and outings on offer that take into account residents' interests. Take part in as much or as little as you like.

Family and friends are always welcome. We have celebration rooms for key occasions, or they can join you for a drink or a meal in our fine dining restaurant.
